

Urgent meeting Tokyo Lectures

Rebuild Japan · Future Energy and Commissioning

—Discussion on the strategy and framework of building energy system and energy conservation based on the Commissioning after the East-Japan Big Earthquake Disaster

Time & Date 14:00-18:30, May 19th (Thu), 2011

Venue West Conference Room C, TKP Ohtemachi Conference Center

Program

Program deirector
Shinichi Yoshida, Director
BSCA, CxPE(BSCA)

14:00-14:20	Opening Address: BSCA's Activity and Philosophy	Nobuo Nakahara, BSCA Chairman, CxPE(BSCA)
-------------	---	--

Part-1 Invited Speech

Chair: Masaya Okumiya,
Prof. Nagoya University

14:20-14:50	On the Activity of Establishing New Building Energy Regulations	Yuzo Sakamoto, Prof. University of Tokyo Masato Miyata, Dr., Building Resarch Institute
14:50-15:30	Exploring the Limits of Energy Efficiency in Office Buildings	David Claridge, Prof., Texas A&M University
15:30-16:10	Simulation tools & thermal comfort standard —the roles in reducing energy demand of buildings	Yingxin Zhu, Prof. Tsinghua University
16:10-16:20	Beak	

Part-2 Building Energy Analysis

Chair: Norio Matsuda, Director
BSCA, CxPE(BSCA)

16:20-16:50	Activities of IEA/ECBCS/ Annex 53 “Total Energy Use in Buildings”, -Analysis and evaluation methods-	Hiroshi Yoshino, Prof. Tohoku University
16:50-17:20	Lifestyle · building energy What is appropriate approach for China building energy reduction ?	Yi Jiang, Prof. Tsinghua University

Part-3 Qualification System of BSCA, Discussion for BSCA Declaration

17:20-17:40	BSCA Qualification of Professional Engineers for Commissioning Business	Norio Matsuda, Director BSCA, CxPE(BSCA)
17:40-18:20	Summary report of Nagoya Workshop Discussions for BSCA Declaration	Motoi Yamaha, Prof. Chubu University Qingpeng Wei, Ass. Prof. Tsinghua University

18:30-20:00	Communications	
-------------	----------------	--

Organized by (NPO) Building Services Commissioning Organization (BSCA)

Cooperation Energy System Laboratory (ESL), Texas A&M University,
Building Energy Research Center, School of Architecture, Tsinghua University
Public Building Association
